UNIVERSAL CALL

*(Music and Lyrics by E. Berti)
Take a breath and look inside
Be in the moment by feeling alive
Too many times, we look the wrong way
and find the old mistake*

*Unleash the beauty
Unfold the sound of your soul
Untie the glory
Listen to
The universal call*

*Choose a sight of love and joy
Care for yourself and rejoice
Then let it spread around
and as a boomerang
everyone'll match your dance*
